## TUITION CREDIT PROGRAM

One of the best ways ECS has been able to grow is through the kind words our families share about us. ECS has many students who have been recommended by current families. Our Tuition Credit Program was established to encourage families to recommend ECS to others and reward those who do. Here is how the ECS Tuition Credit Plan works:

For every NEW family that enrolls their child(ren) for at least one semester at ECS because of your recommendation, you will receive one month's FREE tuition for your oldest child! There is no limit to the number of students/families you may recommend! Just give the bottom portion of this form to the family making application to ECS and be sure they turn it in with their application.

### CONDITIONS

- 1) A parent recommends ECS to a new family not presently enrolled at ECS.
- 2) They report the recommending family's name with their application.
- 3) The new child enrolls and remains at ECS for at least one semester.
- 4) The referring family receives one month's tuition credit applied to the oldest child's account.
- 5) All tuition and fees must be current by both your family and the referred family in order to receive the credit.

We hope you will enjoy the tuition savings available in this program, and thank you spreading the good word about Emmanuel Christian!

Clip and give to the family applying to ECS. This must be turned in with the application.
